Our aim is to provide a safe and caring environment for your children where they can relax and unwind with their friends. Activities will be based around art, imaginative play, sports and games. There will also be an opportunity to do homework if preferred.

The club will be located in the Library area of the Old School but will have access to the outdoor equipment within the school grounds.

The staff ratio will be 1:10 on a first come first served basis. This will be reviewed as numbers increase. To enable us to comply with this, we would ask parents to forward plan their childcare arrangements and evade last minute bookings where possible to avoid disappointment.
