Headteacher: Mrs Helen Goulder

Dear Parents,

As you will be aware, we have a number of children who have been unwell with either the sickness bug or a persistent cough like croup. I want to reassure you we are taking the following precautions to try to eliminate the germs:

- deep cleaning surfaces and door handles
- ventilating classrooms
- keeping rooms below 22 degrees
- encouraging children to keep hydrated
- coughing into crook of the arm
- regular handwashing

We ask that you send Calpol into school if you feel your child may need this during the day. As you can imagine, our school supplies run out quickly! Please pop their name on the bottle and leave at reception along with the time the last dose was administered. We keep a record of when it is administered and we do our best to inform you of this at the end of the day. Thank you for your support with this matter.
