

Create an Easter Picture Competition

Moto would like the children of our adopted school at Cherwell Valley services to create an Easter Picture. If you would like to take part in the competition it is 50p to enter, which will go towards Help for Heroes.

Your picture has to be A4 size and you can use any medium. For example watercolour, paint, pastel or collage.

There will be two age group categories:

Age 4-7

Age 8-11

A winner from both age groups will be chosen by Moto and receive a prize. Please make sure your full name and age are on the back of your pictures.

Entries must be returned to school with your 50p to enter by the 31st March 2020.

We look forward to seeing your amazing artwork.
