Headteacher: Mrs Helen Goulder

Dear Parents,

You will be aware from the news that schools receive advice from the DfE regarding the recent cases of Coronavirus around the world. I want to reassure you again that we are taking the following precautions to try to eliminate germs:

- Teaching children how to wash their hands thoroughly
- deep cleaning surfaces and door handles
- ventilating classrooms
- keeping rooms below 22 degrees
- encouraging children to keep hydrated
- coughing into crook of the arm
- blowing your nose into a tissue, bin it and wash your hands

All children in assembly this morning have been shown how to wash their hands in line with NHS guidelines. I also ask that if your child has a runny nose, that parents send in tissues. This is something we can run out of quite quickly! Thank you for your support with this matter.
