

Predator

Avoiding the predators

Read the instructions below to your child/sibling. Avoid the squares on the grid containing the word 'Predator'. If you accidentally move into a square containing any letter of the word 'Predator', you must swap turns and continue. Try and save most of the animals.

1. Move forward two squares then a quarter turn clockwise and move one square.
2. Move forward one square then a quarter turn clockwise and move two squares.
3. Move forward one square then a quarter turn clockwise and move two squares.
4. A half turn clockwise and move one square then a quarter turn clockwise and move two squares.
5. A half turn clockwise and move one square (Where am I now?) _____
6. Move forward one square then a quarter turn clockwise and move one square.
7. Move forward one square (Where am I now?) _____
8. A quarter turn anti-clockwise and move one square.
9. You now must visit and save the rabbits, hedgehog and kangaroo but make sure you make at least one safe route. What is it?
